
Section D Packaging and Marking

D.1 Marking

All deliverables submitted to the CO, the Lead COTR or the COTR shall clearly indicate the contract number, task order number, contractor's name, description of items contained therein and consignee's name and address for which the information is being submitted.

D.2 Packing, Packaging, and Marking

All items to be delivered under any task order shall be packaged, packed and marked in accordance with the best commercial practices to meet the packing requirements of the carrier, and ensure safe delivery at destination.
